RE: PIPE & FITTINGS LIST PRICE INCREASE

Dear Tyler Pipe distributors,

Tyler Pipe has continued to absorb extraordinary cost increases we can no longer sustain. Effective September 1, 2021 Tyler Pipe will raise our list prices on all Cast Iron pipe & fittings by 12.0% (LP-SEPT-2021). Some items will increase by more than 12.0%.

Effective immediately, we must allocate orders at current prices. We will provide 2 months of allocation based on your annual tonnage. All orders placed after August 31, 2021 will be at new LP-SEPT-2021 list pricing. Any order placed before August 31, 2021 that surpasses your allocation amount will be at LP-SEPT-2021 pricing. All orders are for immediate release.

Your Tyler Pipe regional sales manager will be contacting you to provide your allocation amount and to answer your questions.

New LP-SEPT-2021 List Prices will be posted on our website no later than July 1, 2021.
