

SUBMITTAL LUBRI/FAST® LUBRICANT

Tyler Pipe/Soil Pipe Division • 11910 CR 492 • Tyler, TX 75706 • (800) 527-8478

Formula:

The unique LUBRI/FAST® formula makes joining TY-SEAL gaskets easier and faster because it's so slick! Applied as a liquid, LUBRI/FAST® actually reduces joining forces required; then it literally fastens the joint.

Application:

LUBRI/FAST® is applied with an ordinary paint brush. It may be used for joining all pipe and fittings, and is required for joining all larger diameters 5" through 15".

NOTE: An adhesive lubricant is required for TY-SEAL and EZ-TITE gasket sizes 5-inch and larger diameters. Tyler offers LUBRI/FAST® LUBRICANT for this application.
